

Wirral Grange

Vineyard & Cottage

Directions to get to 'the Grange' are:

From Sydney: Allow 2 hours (may take less depending on traffic conditions)

- Take the F3 from Sydney; look for the Cessnock turnoff on the left, well past Gosford turnoff.
- There is also a brown WINERIES signpost to look for.
- Follow the signs to Cessnock.
- Drive north (turn right) down the main road, VINCENT Street, turn left at the end and take the first right into Allandale Road.
- Travel 4.5 k and look for the sign HUNTER VALLEY ZOO after the 80k sign –
- RIGHT turn into Lomas Lane. We are 1.6 k down the dirt road on the right –
- look for the white painted entrance and our Wirral Grange sign.
- The Cottage is at the end of the long drive. If you arrive in the dark, I will leave the lights on in the Cottage so you can find your way.

Kind regards,
